#### 4. Duties

The current work of the ministry is performed by referents. The Minister of Finance signs only ministerial decrees and orders, important budget papers, and personal documents relating to ministerial officials.

The documents are numbered as follows:

- a. Number of the department which has processed the document, slash,
- b. Current central number according to the central registry (Zentralprotocol) (used for the entire ministry), slash,
- c. Year.

The name of the referent concerned is then attached to the document. For an example: 191/10.702/57
